

SCREENSHOTS

1) LOGIN

A screenshot of a web browser showing the login page of a 'POLL APP'. The browser's address bar shows 'localhost:3000/login'. The page has a dark blue header with the 'POLL APP' logo on the left, and 'Register' and 'Login' links on the right. The main content area is light blue and contains a dark blue login form. The form has two input fields labeled 'USERNAME' and 'PASSWORD', and a 'Submit' button at the bottom.

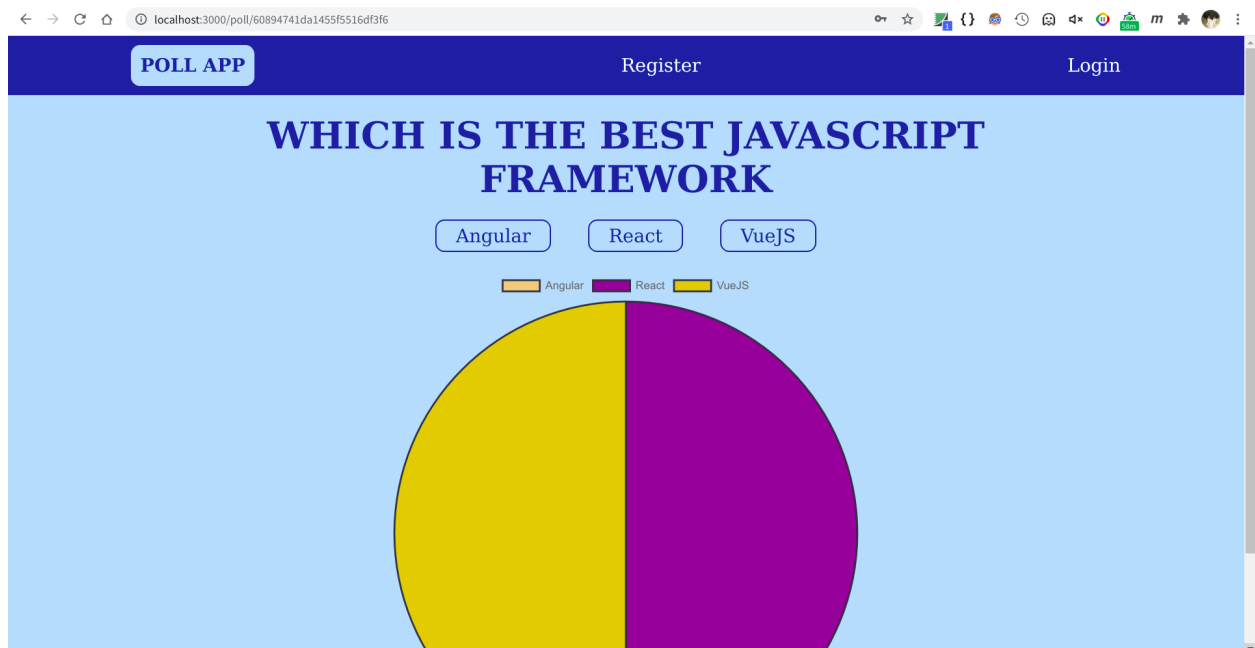

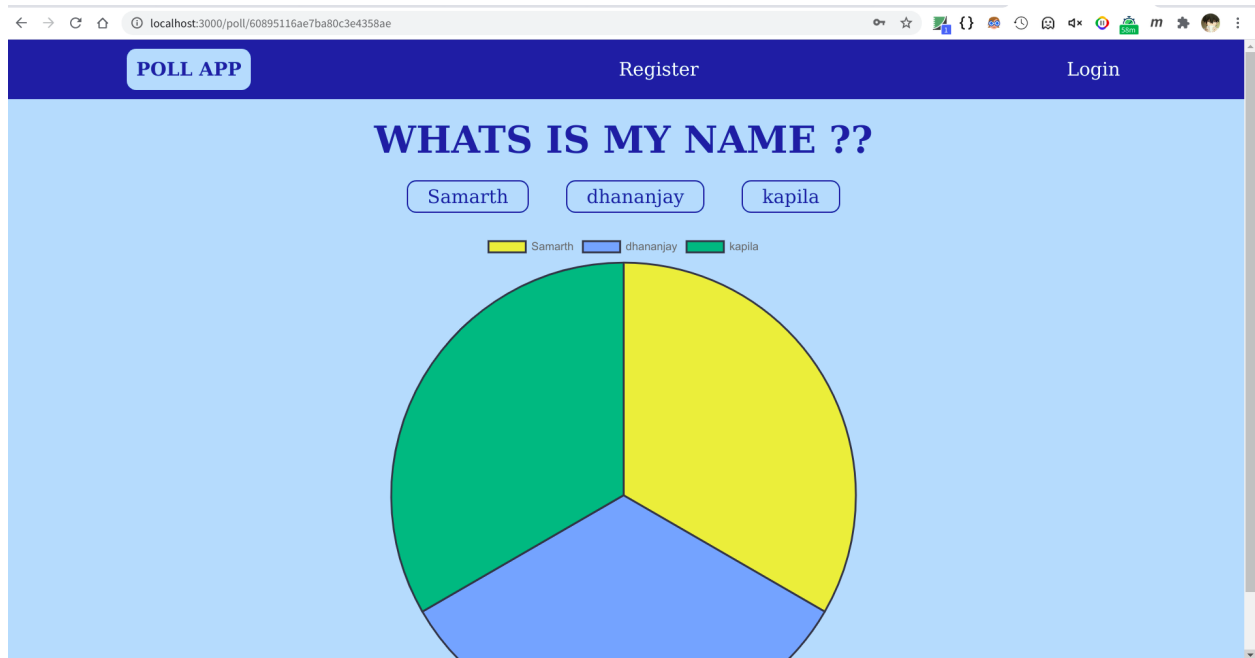

2) Homepage

A screenshot of a web browser showing the homepage of the 'POLL APP'. The browser's address bar shows 'localhost:3000'. The page has a dark blue header with the 'POLL APP' logo on the left, 'New Poll' in the center, and 'Logout' on the right. Below the header, it says 'Logged in as username2'. The main content area is light blue and contains two buttons: 'All polls' and 'My polls'. Below these buttons is a list of poll questions, each in a white box with a blue border:

- Which is the best JavaScript framework
- Who is the best mutant
- Truth or dare
- Boolean?
- whats is my name ??
- whats is my name ??
- Capital of india ???

3) Results

4) Register

The screenshot shows a web browser at localhost:3000/register. The page has a dark blue header with 'POLL APP' on the left, 'Register' in the center, and 'Login' on the right. The main content area is light blue. A dark blue form box contains two white input fields labeled 'USERNAME' and 'PASSWORD', and a 'Submit' button at the bottom.

5) Create POLL

The screenshot shows a web browser at localhost:3000/poll/new. The page has a dark blue header with 'POLL APP' on the left, 'New Poll' in the center, and 'Logout' on the right. Below 'Logout' is the text 'Logged in as username'. The main content area is light blue. A dark blue form box contains three white input fields labeled 'QUESTION', 'OPTION', and 'OPTION', and two buttons at the bottom: 'Add options' and 'Submit'.
